Spooky Halloween TRICK or TREAT RULES!

-  Each player puts 4 sweets into the witches cauldron and takes a marker and begins at square 1 - highest dice rolled decides who goes first.
-  If you land in a Treat you can take a sweet out of the cauldron and add it to your trick or treat bag.
-  If you land on a Trick (scary monster) you must add a sweet from your bag to the cauldron.
-  Whenever you land on a Pumpkin square you must take the top card and read it out loud and follow the instructions, place card at bottom of pile after reading.
-  The 1st player to land Exactly on Square 100 may take half the sweets from the Witches Cauldron, the 2nd player to reach 100 may take half the remaining sweets, the 3rd player may take half again until the last player takes what is left over.
-  No fighting or crying allowed - scaring other players IS allowed BOO!
